

Conversation menu

STARTERS

- Is there really a taboo about death, dying and bereavement?
- Do you think you'd prefer cremation, burial or something else?
- How will you know if you've had a good life?
- What have you learned about death from media and how has that affected your thinking?

MAINS

- How would you like to be remembered?
- Does your family have any traditions to remember the dead? If not, what do you wish was a tradition?
- Many people have a birth plan. What would you include in a death plan and when would you start writing it?
- What would you like to happen to your digital assets when you die?

DESSERTS

- Is there a song you want played at your funeral?
- If you lost someone, what would you want your loved ones to do to help support you?
- Can you imagine a place designed for remembering those who have died? What would you include?
- When is the best time to talk about death, dying and bereavement?
